NEW RUSSIAN-AMERICAN LINE.

Steamship Service from Black Sea Ports, Via Italy, Arranged for Emigrant Traffic.

ODESSA, Aug. 31.—The committee of the Russian Volunteer fleet has arranged a new steamship service between Black Sea ports and North America, via Italy, with an Italian company.

The idea of this service is to tap the heavy emigrant traffic between Naples and New York. The Volunteer Fleet will receive $40 for each emigrant from Naples. The first vessel in the new service will sail at the end of September.

It is hoped that the enterprise will divert Russian emigration to the United States from the German lines of steamships.
